BOARD OF DIRECTORS

Dear Sir:

On behalf of the National Institute of Military Justice (NIMJ), I am writing to request the recommendations made by the Military Justice Review Group's comprehensive review of the military justice system—a review to which NIMJ contributed. It has come to my attention that this review, led by the Honorable Andrew S. Effron, has been completed. In the interest of transparency of such a taxpayer-funded initiative, we request a copy so we can begin to analyze and provide feedback on the review's various suggestions. A democracy as strong as ours benefits greatly from such public-private dialogue.

I can be reached at rvanlandingham@swlaw.edu or (213) 738-6864 to discuss this request if you have any comments or concerns.

Sincerely,

Rachel E. VanLandingham  
Vice President  
National Institute of Military Justice
